Reinhardt-Windl American Legion Post 164

"Yesterday, Dec 7, 1941 – a date which will live in infamy the United States of America was suddenly and deliberately attacked by naval and air forces of the Empire of Japan."

These words are still entrenched in the minds of most Americans. They were spoken by President Franklin D. Roosevelt on Dec. 8, 1941 before Congress and our nation. On that date the United States entered into World War II. Dec. 7, 2016 marked the 75th anniversary of that event. So this year Reinhardt-Windl American Legion Post 164 of Jefferson is dedicating our Veteran Lights Tree to all those who served and to all those who died in Pearl Harbor Hawaii on that tragic day as well as to all those who are listed on this page that all of you are honoring. As you can see by the names on this page, people do care and appreciate all our veterans, those past and present, those who gave the supreme sacrifice for our great nation, and those who are currently in harm's way.

I cannot thank each of you enough for honoring a loved one or a friend by purchasing a light for our tree. So many veterans have told me how honored they were that someone would do this for them. It is an honor to them for their time served. There is no question that we enjoy the freedom we have today because of our veterans. Our Vietnam veterans are now finally getting the honor they deserve.

I hope all of you enjoyed your holiday season. Again, our Post 164 thanks all of you for honoring a veteran. And to all you veterans, I say thank you to a job well done! Let us all keep in mind all our people serving today to preserve our Freedoms.

— Sincerely, Eugene "Robby" Robinson, Commander
