Reinhardt-Windl American Legion Post 164

Greetings from Jefferson American Legion Post 164,

I hope all of you had a joyous holiday season, at least as good as can be expected considering the circumstances. This certainly has been a trying year for all. Because of the virus this year our Post will be dedicating the Veteran Lights tree to everyone in hopes they stay safe from the virus and to those that might get it have a speedy recovery. To all those who have lost a loved one to the virus our most sincere condolences. This has been a very difficult time for our Post just as it has been for all businesses. We lost our family fun day this past year because of the virus so we only have our annual Veteran Lights tree to help us get through. And did all of you certainly come through for us. Your generous donations saved our Post. And you also honored so many veterans. We also had so many of you just donate just to help us out. We cannot thank you enough for all your generosity. We had several discussions on whether we should even do this because of the virus and decided we should to keep our Post going and besides we were mostly outside so everyone could stay safe. We turned on the tree lights the first Saturday in December and ran them through most of January. It means so much to each of the Veterans names you see here when they see their names printed. I know I really appreciate it and thank all of you who honored me. And I know all of those listed feel the same way. It is a great honor for our Post to be able to do this.

Also keep in your mind and heart a thought about all the men and women now serving and a hope they all stay safe while protecting this great country. Remember many of these are deployed overseas and could not enjoy the holidays with their families like you and I. We wish each and every one of you now serving that you all return back to us safe and sound and thank all of you for your sacrifice for our country. And to all you veterans who were not listed here we appreciate your service to our country as well. May all of you remain healthy and well and hopefully we will see you again next year.

In closing I want to thank each of you who donated your time to help the Post with selling the lights. And to Tim Bare for all the time putting the lights on the tree. And thank all of the Post members for all your help with other things as they arise throughout the year. And last to Walmart and Kwik Trip for allowing us to use your places of business to sell the lights. Without your generosity we would not have been able to do this.

Having numerous listings for "ALL VETS" and "Anonymous" this year only listed it once. If you don't see a name you requested, please contact the Commander, (920-988-2063).

Sincerely, Commander Eugene "Robby" Robinson
